IN APPRECIATION

It's the month to honour your administrative staff. Here are some suggestions.

by Elaine Lau & Anandhi Gopinath

April is the month to appreciate the unsung heroes of your office, the administrative staff and secretaries who work silently behind the scenes to plan, organise and sort out schedules to ensure a busy day runs without a glitch. These people are truly the backbone of any organisation.

Secretaries' Week was created in 1952 through the efforts of a New York publicist, Harry F Klemfuss. At that time, he wanted to encourage more people to consider careers in the secretarial or administrative support field. Today, this unofficial occasion is celebrated the world over in the month of April every year, including here in the Klang Valley.

Treat your secretary or administrative personnel to delicious food and some entertainment at one of these venues.

course lunch in April priced between RM49++ and RM65++. Diners can choose a starter or dessert to go with their main course, which consists of a choice between chargrilled organic spring chicken, roasted lamb rump or organic jade perch fillet. The lunch set comes with a special buy one, free one beverage promotion on mocktails.

Organic jade perch fillet.
