**ALL-NATURAL:** The Christmas set menu uses the best local ingredients

If you are looking for fine dining this Christmas eve, head over to Tanzini restaurant at G Tower in Jalan Tun Razak.

Chef Eugene Lee will be preparing mouthwatering dishes for the Christmas Dinner menu.

Guests will be served a four-course gourmet set dinner accompanied by a musical performance by Rozz Ritzman.

The set menu showcases the delectable House Baker's Christmas feature which is bread with Christmas spice blend followed by fine hors d'oeuvres; Crystal Bay prawns and mango and roasted butternut squash soup and sorbet of the day at Intermezzo.

"The butternut squash is specially roasted before we make it into a soup.

"We want guests to feel the warmth of Christmas."

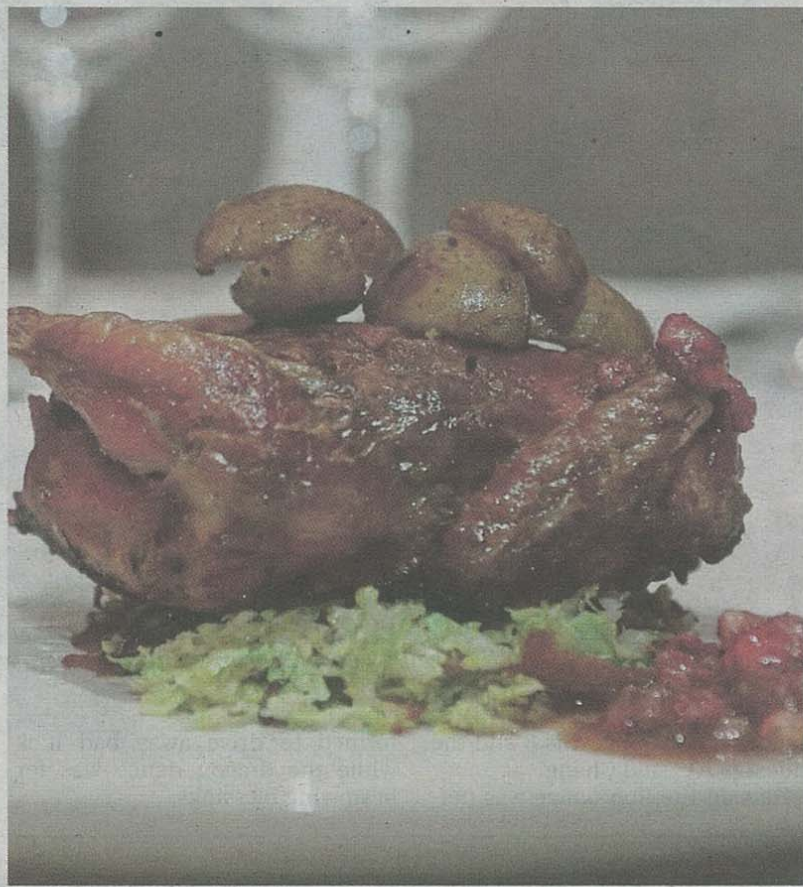

For the main course, guests can choose between the spring chicken and turkey or fresh-from-Kuala Terengganu barramundi.

"The spring chicken is from our farm in Sabah as we want to support local breed chicken and farmers.

"It is also more environmental-friendly," said Lee.

To complement the three dishes, there is penne with spicy apple crumble ice cream for dessert.

"This is a classical dessert and

## Christmas circus at Sunway Pyramid

**BANDAR SUNWAY:** The LG2 Orange Concourse in Sunway Pyramid has been transformed into a circus of sorts as the mall celebrates Christmas this year.

Themed A Hoopful Christmas, the circus features polar bears, vibrant hula hoops, stacks of colourful presents, twinkling fairy lights and candy cane arches.

Shoppers can buy their favourite Christmas essentials at the festive bazaar with exclusive promotional offerings available at LG2, Orange and Blue Concourses throughout the mall.

Sunway Pyramid senior marketing manager Loo Hoey Theen said the festive haven was to reward its shoppers.

"Marking the end of the calendar year, Christmas is the best time to bring families and loved ones together in the spirit of celebration.

"Reunite, create lasting memories and fulfill your Christmas shopping wishlist at Sunway Resort City, an all-in-one leisure and retail destination for Malaysians and tourists alike," he said.

The circus-themed Christmas celebration was launched by Sunway Pyramid chief executive officer H.C. Chan and Sunway Pyramid chief operating officer Kevin Tan recently.

An exclusive classic candy dispenser is available until Jan 4 for redemption when shoppers spend RM800 (RM600 for HSBC cardholders) in three receipts.

Shoppers stand a chance to be among the first in Malaysia to drive home the new Mazda2 by taking part in the Thrills on Wheels contest with RM200 spent in a single receipt (RM100 for HSBC cardholders).

Sunway Pyramid mascots Leo and Leona will be decked out in merry costumes and handing out Christmas candy to spread festive cheer.

Visitors will be entertained by the enigmatic and soulful Roving Carollers and Santa Claus, who will be making a special appearance.

As part of the mall's community service efforts, a free gift-wrapping service by underprivileged students is available at the LG2 Orange Concourse.

Shoppers can visit quirky photo booths sponsored by Sunway Pyramid's tenants. The photo booth sponsor fee, along with the part-time salary from the gift wrapping services, will go towards the education and household expenses of underprivileged students.
