PERRIER-JOUËT

Perfect Pairings

Prestige Malaysia and Perrier-Jouët hosted a sophisticated champagne and food pairing event at The Champagne Room, View Rooftop Bar of GTower, Kuala Lumpur. One of the finest champagne establishments in the world, the exclusive lunch mentoring was curated to gather a handful of Kuala Lumpur's elite socialites to indulge in a casual yet educational afternoon meal.

The hallmark of Perrier-Jouët, a single creative burst of harmony, finesse, and elegance, can be seen throughout the interior. With nature as a source of inspiration and Art Nouveau as its core philosophy, the dining table was overflowed with fresh bouquets of pink and white roses as well as gorgeous vines creeping among the bell-shaped cages and bottles of champagne in place. Pastel butterflies, gracefully perched on the luscious decoration, enchanted the banquet table as if enticing poetry to the feast.

Furthermore, pieces of The Enchanting Tree by Tord Boontje were elegantly displayed amidst the room. Inspired by the iconic swirling flowers, each metal sculpture was adorned with anemones lacquered in white and sparkling champagne flutes for blossoms.

The four-course meal prepared by the culinary team was mulled to complement two of Perrier-Jouët's star champagnes: the Grand Brut, a floral and fruity variation that exemplifies the label's style, and Blason Rosé, a delicious blend of roses and orange flowers. The voluptuous and sensual generosity presented by both of the cuvée perfectly harmonised the lightly cooked dishes as well as the aromas of springtime vegetables and fruits.

An afternoon filled with fun and laughter, the champagne-filled luncheon was a nice distraction from the hectic schedules of the guests.
