## Cititel Hotel Management

A subsidiary of one of Malaysia's top property developers IGB Berhad, Cititel Hotel Management oversees three properties – The Wembley, Cititel Penang and Cititel Express – in George Town, Penang. The Wembley along Magazine Road offers 415 elegantly appointed rooms complemented with standard amenities including coffee/tea making facilities, satellite TV and free Wi-Fi. Facilities include Wembley Cafe, Enoshima Japanese Restaurant and DSRT Sky Room – a bar on the hotel's 31st floor bar. Adjacent to The Wembley is the newly-opened Cititel Express Penang, which features 234 rooms that range from Standard (sleeps two) to Family (sleeps four) options. All rooms come with rainshower-equipped en-suites, LCD TVs, and free Wi-Fi. The central location of both properties is ideally suited for business and leisure travellers, who can take advantage of the free CAT (Central Area Transit) bus service that traverses the city centre between 6am to midnight.
